Instructional Resource

VIEWING FEEDBACK FROM INSTRUCTOR IN MY ASSIGNMENT SUBMISSION

Your instructor may choose to include comments directly in an assignment submission using inline comments, or annotations. If an assignment's submission details page includes a **View Feedback** button, you can view these annotated comments through a preview tool called Canvas DocViewer.

| | Click the title of an a. The Feedb annotated supported | In Course Navigation, click the Grades link. Click the title of an assignment. The Feedback Icon displays an indicator if annotated comments have been added to a supported assignment. (You can also click this icon to view comments) | | 1 Step 1 |
|--------|--|--|--------|------------|
| Step 2 | Regular assignment Assignments | May 5 by 11:59pm | 計 / 10 | ₽ 1 Item a |

- 3. Click the View Feedback button.
- 4. View the feedback or annotated comments from your instructor.
