**NURSE PRACTITIONER OPPORTUNITIES  
APRIL 2018**

**California - 282463**

Faith-based Federally Qualified Health Center in Los Angeles seeking a Nurse Practitioner to provide quality, comprehensive healthcare to the homeless and underserved. Outpatient only setting with no call. Spanish proficiency is strongly preferred. They encourage spiritual care, prayer with patients, and partnership with local churches. Values of the clinic: Christ-likeness, integrity, accessibility, excellence.

**California – 307682**

Federally Qualified Health Center near Los Angeles is expanding services and seeking an experienced Family Nurse Practitioner to work in an outpatient only setting. Would prefer candidate is bilingual in Spanish (not a requirement) and possessing basic computer skills (EPIC EMR in all clinics). They believe that health is not just the absence of disease, but a state of complete physical, mental, and social wellness, which includes emotional and spiritual well-being.

**Massachusetts – 178531**

Outpatient only group seeking an experienced Nurse Practitioner. Mission is to provide comprehensive health care for the entire family that honors the Lord Jesus Christ. They are health care providers who are committed to trusting God, following Him, and walking by faith, they are committed and called to His principles.

**Mississippi – 120296**

An independent, pediatric practice is seeking a Nurse Practitioner. Their vision is to see the physical, emotional, and intellectual health maximized in their team, patients and community. Their mission is: Work willingly at whatever you do, as though you were working for the Lord rather than for people. Col. 3:23.

**Nevada - 299361**

An independent, outpatient only practice is seeking a Nurse Practitioner. The current staff consists of 3 physicians and 1 midlevel provider. As Christian physicians, all tests, medication and education are founded on a classical, Christian humanist philosophy.

**New York – 285140**

A very busy, 18 + year old ENT practice is seeking a Nurse Practitioner. Currently there is one physician in practice. No call schedule unless doctor is on vacation. Competitive salary and benefits. Praying with patients is encouraged. The day is begun with group prayer for patients, staff and practice.

**New York - 260608**

Independent, outpatient only practice seeking a Nurse Practitioner. Practice is a ministry located in one of the poorest neighborhoods in the city. "Providing Comprehensive Primary Care Services in the Spirit of the Ministry of Jesus Christ."

**North Carolina – 235127**

An independent, gastroenterology group seeking to add a Nurse Practitioner. This well-established practice of 24 years has 3 physicians and 2 mid-level providers. They treat 10-14 patients per day, per provider. The right candidate must have the skills of hospital rounds and outpatient clinic patient training. They consider their work their calling. Taking care of the people the Lord has placed before them and to build up the people who they work with. This is a very fulfilling practice. They attempt to live out the great commission.

**North Carolina – 311800**

Independent, pediatric practice seeking a Nurse Practitioner. Pediatric experience preferred. Provider must be able to provide patient centered compassionate care. They see patients from newborn to age 18. Provider would be required to perform well and sick care to patients as well as ADHD, health weight management, etc., in a general pediatric setting. They are seeking a team player who wants to integrate into the practice. They lead by example by treating others with compassion in all circumstances as Jesus did. They pray for patients and with them if asked to do so.

**North Carolina – 114424**  
Thriving independent practice seeking a Nurse Practitioner. Currently the staff consists of one physician. The right candidate must be willing to take call two weekends per month and see patients in a clinic/hospital/dialysis setting. Previous inpatient experience with internal medicine/nephrology patients on ward and in ICU is a plus. Outpatient experience with dialysis patients and patients with AKI in any capacity ideal. EMR experience helpful. The physician recognizes that he is a part of the healing process, but the ultimate healer is Jesus Christ. He is especially versed in helping families and patients discuss realistic outcomes and help them make tough end of life decisions regarding medical care.

**Pennsylvania – 190754**  
A faith based primary health care clinic in Philadelphia, seeks a certified Nurse Practitioner to provide Christ-centered primary care to the predominantly Latino North Philadelphia community. Spanish functionality (or willingness to learn) is required. Providers have received loan repayment via National Health Service Corps, the Pennsylvania Loan Repayment Program, or Project MedSend. Salary position includes a benefit package including vacation, sick and holiday paid time off, medical and dental insurance coverage, retirement plan and life and long term disability insurance. Goal is to minister to the most needy areas of the underserved Latino community of North Philadelphia as Christ did, bringing the Gospel to the people. As health care professionals, we strive to provide excellent wholistic health care to the body, mind, and spirit.

**Pennsylvania – 294930**  
An independent, single specialty, outpatient only practice, is seeking a part-time Nurse Practitioner. This well-established, occupational health clinic has 1 physician and 1 mid-level provider. Being privately owned, they have the freedom to do spiritual ministry; which is a high priority in this practice.

**Virginia – 170997**  
Independent, six-physician practice seeking a Nurse Practitioner. Group practices full gamut of family medicine. They practice on a bio-psychosocial spiritual model and provide expert medical care from newborn to geriatric including GYN and minor procedures. They seek to do the Lord's work to His glory in a patient oriented, integrative and compassionate manner.

**Virginia – 193641**  
Family Medicine practice nestled in the foothills of the Blue Ridge mountains in beautiful central Virginia is seeking a Nurse Practitioner. Founded in 1982 by Christian physicians, they have operated on the highest ideals of family medicine and as a ministry to the patients they serve. These providers embrace the very important roles that spirituality and a strong bond play in patient healing.

**Washington – 308422 – Seattle**  
An independent, new start-up, outpatient only, women's health facility is seeking to add a Nurse Practitioner. The right candidate must do physical exams including pelvic exams; limited OB ultrasound (can be trained). A sense of calling and passion to serve both uninsured women, women with STI issues and women with unexpected pregnancies. There is no call. Their mission is to provide compassionate, evidence-based, reproductive healthcare and related, educational and consultative services in a respectful environment to all women, regardless of their beliefs or ability to pay, based on the Christian understanding that all people have inherent dignity and worth.
