BACHELOR OF SCIENCE IN NURSING, UPPER DIVISION

“ I chose USF nursing, because the college has a nationally acclaimed reputation and I knew I was going to get the best education here. Everyone knows nursing school is hard. And it definitely IS hard, but we have world-class faculty and staff who do everything to help you succeed. It’s really special. They are invested in you and they are dedicated to student success. I’ve felt supported every step of the way. ”

ANTHONY SUDA
Student, Upper Division

Your journey ...

Your future ...

Become a nurse educator, public health nurse, charge nurse, clinician manager, or other nurse administrator

Go on to earn a graduate degree, which can lead to becoming a nurse practitioner, nurse educator or clinical expert

Experience interprofessional collaboration with anesthesiologists, athletic trainers, pharmacists and public health professionals
